The Hippo® purchase price includes a comprehensive two-day training program in the set up, operations, safety, maintenance and repair of the equipment. Training is provided during regular business hours, and must be completed concurrent with the Client's initial slide set up. Upon completion of this mandatory training program, the Client shall receive The Hippo® **Operations Proficiency Certificate**, which shall also serve as the official Warranty Registration Document. The Hippo® Limited Warranty shall not be valid without this registration.

All requests of the Client for warranty work and replacements are subject to product inspection. Ordinary wear and tear will not invalidate this Limited Warranty, but misuse, improper handling or storage, improper repairs, improper maintenance and care, or accidental, abusive or negligent treatment of the product will invalidate The Hippo® Limited Warranty. The Client must use anchors, stakes, and tie-downs, as instructed in the Owner's Manual, at all times to ensure the safety of users and the equipment. This Limited Warranty is not a guarantee that the product will not through use, handling and storage develop tears or punctures from time to time, the repair of which is the responsibility of the Client. If a returned product is evaluated and found defective, and the Warranty for such product is in force, FreeStyle Slides® will bear the cost of shipping the repaired or replaced product to the Client; otherwise, all shipping costs will be borne solely by the Client. No statement, remark or representation of any employee or agent of FreeStyle Slides® may vary this Limited Warranty unless in writing and signed by the CEO of FreeStyle Slides®.
